

VENOLYMPHATIC DRAINAGE SYSTEM

Medical Device class IIA Annex IX rules 9 93/42 CEE
Medical Device classe II Schedule I rules 9(1) SOR/98-282
Medical Device class II 21 CFR part 870 § 870.5800

TECHNICAL SPECIFICATIONS

Weight: 9 kg **Power:** 40 W
Sizes : 37*33*18 cm **Voltage / Frequency :** 100 à 240 V / 47-63 Hz

Working time (dwell time)	0 à 60s
Deflation / Rest time (dwell time)	0 à 60s
Pressure range	20 à 150 mBar (15-112 mmHg)
Treatment duration (Session duration)	0 à 60 min

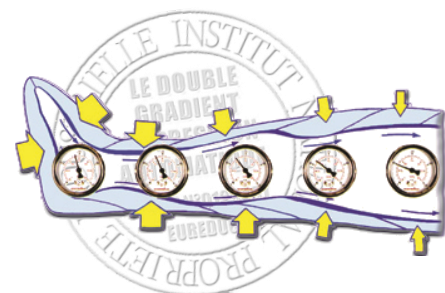

Pressure: Adjustable: 20 – 150 mB (15 à 112 mmHg) **Sound level:** 49 dB<I<52 dB
Atmospheric pressure: 70kPa à 106kPa **Operating temperature:** +0°C+40°C
Operating humidity degrees: 30% à 80% **Storage ambient temperature:** -5°C+45°C
Storage Atmospheric pressure: 70kPa à 106kPa **Storage relative humidity:** 30% à 80%
Medical Switching mode power supply AC/DC: TR100M240-02E13 CINCON

IEC 60601-1: 130879-663528 Class Type BF IP20

Pressure regulation mode:
 ↪ Automated Double Gradient Pressure (A-D-G-P. –International Patent)

Programs selection mode:
 ↪ 9 preset programs + 3 customizable programs

Accessories inflation:
 ↪ Two 5-connection levels enable inflation of 2 accessories simultaneously.

Accessories components:
 Outer fabric: Nylon / Inner fabric: Polyurethane

Accessories:
 5-chamber sleeves
 5-chamber boots
 5-chamber waist boots
 5 Abdominal strap

Connecting:
 Elements / tubes: permanent to avoid leaks
 Pump / tubes: numbered connectors

Comfort in use:
 Very soundproof TP05 thanks to innovative

MAIN INDICATIONS

Limbs edemas: Lymphedema - Phlebedema- Thrombosis prevention – phlebitis after-effects - Circulatory problems- Heavy legs- Post-op regain- Body profiling

MAIN CONTRA INDICATIONS

- Acute venous thrombosis- Inflammatory/ infectious estate- Cardiac/ renal insufficiency

ACCESSOIRES

Référence	Désignation	Dimensions	
M5PGM	Sleeve (Large size)	Ø 58 cm * 77 cm	
M5PSM	Sleeve (Size on demand)	Ø X cm * X cm	
B5PGM	Boot (Large size)	Ø 80 cm * 92 cm	
B5PSM	Boot (Size on demand)	Ø X cm * X cm	
H5P	Waist boot	Ø 80 cm * 106 cm	
H5PSM	Waist boot (Size on demand)	Ø X cm * X cm	
SPK	Abdominal strap	L: 56 cm * l: 37 cm	
SPKSM	Abdominal strap (Size on demand)	L: X cm * l: X cm	
GHB	Hygiene sheathes (100 u batch)	40 x 120 cm	
GHB1000	Hygiene sheathes (1000 u batch)	40 x 120 cm	
PU04	Presso-Accessories support. (Professional)	H: 60 cm	
PU07	Mobil Trolley without drawer	41 x P 41 x H 79 cm	
PU08	Mobil Trolley with drawer	41 x P 41 x H 79 cm	
TEL01	Remote control	L : 11 x l : 6 cm
